Recertification Due: Oct 2020
Certificate Number: IASME-A-013512
Profile Published: February 2017

Certification Body:

Assessor:

Tresor API

This Certificate certifies that the organisation named was assessed as meeting the Cyber Essentials implementation profile published in February 2017 and thus that, at the time of testing, the organisations ICT defences were assessed as satisfactory against commodity based cyber attack. However, this Certificate does not in any way guarantee that the organisations defences will remain satisfactory against cyber attack.
